My current stock is the result of 30 years of breeding.  
90% of my pigeons are descended from the pigeons of the world-famous super star, AD SCHAERLAECKENS.  
I consider breeding to be an art, racing to be a serious game. I prefer the 'photo model-type' pigeons. For me, one of the most important criteria is intelligence. I use the total widowhood method.  
In the past years I gained 31 1st placements at national races and 3 of my pigeons participated in the Olympiade.  
My pigeons perform well at the distances between 150 and 800 kms.
